Gharieni K9 Furniture series

The flexible K9 furniture series meets the highest aesthetic and functional requirements. The K9 cosmetics trolley offers four spacious drawers and thus enough space for your practical work. The modern tip-on technology facilitates the use of the trolley: With light pressure, the drawers slide out gently and quietly. The elegant handle and smooth-running castors make it easy to slide the trolley into the needed position.

The exclusive K9 laundry cart offers the ideal solution for dirty laundry. Used towels, covers, and other textiles disappear immediately through the opening at the front. Like the cosmetics trolley, the position of the laundry trolley can also be adjusted by smooth-running castors.

The K9 washbasin cabinet is just as elegant as it is practical. Divided into three areas, there's plenty of space for equipment, towels, used textiles, and more. On request, an attachment washbasin can be integrated.

And for just the right look, choose from our wood and color decors in matt or high gloss.
