Storage conditions:

Store in a dry place not above 22 °C.

Health hazards:

The products may cause an allergic reaction. We recommend an allergy test (Patch test) before the first application.

Fire hazards:

None. The products are not inflammable.

Recommended precautions for handling:

Wear protective gloves and avoid contact with eyes and skin.

First aid measures:

- Ingestion: Drink plenty of water and seek medical aid.
- Skin contact: Rinse with water; in case of an allergic reaction seek medical aid.
- Eye contact: Rinse immediately with plenty of water, then seek medical aid without delay.

Particular precautions according to EC Cosmetics Directive Article 6, 1. (d)

None.

Disclaimer:

For cosmetic products no Safety Data Sheet is required by law.

This document is not a Safety Data Sheet in the sense of chemicals legislation. It is given voluntarily and only for information of customers. It is not an assurance of product properties.

We will take no liability for any consequences of improper use or misuse of our products.
