

## SAFETY DATA SHEET

### 1. Substance/preparation and company name.

**Product:** Eyl SS Individual Lash Glue Adhesive Clear  
**Company:** Original Additions, Bullsbrook Road, Hayes, Middlesex, UB40UJ.  
**Telephone:** 0208 5739907

### 2. Hazards Identification

Highly flammable liquid and explosive vapours. Narcotic vapours.

### 3. Composition

Substance	%w/w	Cas No.	EC No.
Alcohol	25-50%	64-17-5	200-578-6
Isopropyl Alcohol	10-25%	67-63-0	200-661-7
Nitrocellulose	10-25%	9004-70-0	603-037-01-3
Isopropyl Acetate	10-25%	108-21-4	203-561-1
Trimethyl Pentanyl Diisobutyrate	5-10%	6846-50-0	229-934-9
Ethyl Acetate	5-10%	141-78-6	205-500-4

### 4. First Aid Measures

**General:** In all cases of doubt or when symptoms persist  
Seek medical attention. Never give anything by mouth to an unconscious person.

**On Inhalation:** Remove to fresh air, keep warm and at rest. If breathing is irregular or stopped give artificial respiration. Give nothing by mouth. If unconscious place in recovery position and seek medical advice.

**On Eye Contact:** Contact lenses should be removed. Irrigate copiously with clean, fresh water for at least 10 minute, holding the eyelids apart. Seek medical advice.

**On Skin Contact:** Remove contaminated clothing. Wash skin thoroughly with proprietary lash adhesive remover.

**On Ingestion:** If accidentally swallowed obtain immediate medical attention. Keep at rest. Do NOT induce vomiting.

### 5. Fire Fighting Measures

Use carbon dioxide or dry powder. Do NOT use water.

### 6. Accidental Release Measures

The information contained herein is believed to be accurate, and is offered in good faith by Original Additions (Beauty Products) Ltd for the users investigation. No warranty is expressed or implied for the completeness of this information. It is not a sales specification nor an indication of suitability for a particular use. Recipients of our products must take responsibility for their usage and observe all existing laws and regulations.

Eliminate all sources of ignition and ventilate the area. Exclude all non-essential personnel. Avoid breathing vapours. Contain the spillage with sand or other non-combustible absorbent material. Transfer the collected material into a suitable container for disposal. Do not allow to enter drains or water courses.

## **7. Handling And Storage**

Store in accordance to the conditions of the licence which is necessary under the Petroleum (Consolidation) Act. See HSE guidance note Storage of Flammable Liquids in Containers.

Store between 5 and 22 deg C in a dry, well ventilated place away from sources of heat, ignition and direct sunlight. Containers which have been opened should be properly resealed and kept upright to prevent leakage.

Do not use in areas where potential sources of ignition exist. Electrical equipment should be protected to the appropriate standard. Use non-sparking tools and exclude sources of heat, sparks and flames.

Keep container tightly closed. Always keep in containers made of the same material as the supply container. The product may charge electrostatically. Use earthing leads when transferring from one container to another.

## **8. Exposure Controls/Personal Protection**

Avoid inhaling vapour. Avoid contact with skin and eyes. Wear impervious gloves and safety glasses. Ensure good ventilation.

## **9. Physical And Chemical Properties**

Appearance	Clear, viscous liquid.
Odour	Characteristic solvent odour
Flash Point	-4.0 deg C
Specific Gravity	0.93
Solubility In Water	Insoluble

## **10. Stability And Reactivity**

Avoid exposure to temperatures above 25 deg C.

When stored under conditions specified at paragraph 7 above, the material is stable and non-reactive.

## **11. Toxicological Information**

There is no data available on the product itself. Exposure to organic solvent vapours may result in adverse health effects such as irritation of the mucous membrane and respiratory system and adverse effects on the renal and central nervous systems.

Symptoms include headache, dizziness, muscular weakness, fatigue, drowsiness and in extreme cases unconsciousness.

Repeated or prolonged contact with the product may lead to removal of natural fats from the skin resulting in non-allergic contact dermatitis.

Splashes in eye may cause irritation.

## **12. Ecological Information**

The information contained herein is believed to be accurate, and is offered in good faith by Original Additions (Beauty Products) Ltd for the users investigation. No warranty is expressed or implied for the completeness of this information. It is not a sales specification nor an indication of suitability for a particular use. Recipients of our products must take responsibility for their usage and observe all existing laws and regulations.

There are no data available on the product itself. The product should not be allowed to enter drains or water courses or be deposited where it can effect ground or surface waters.

### 13. Disposal Considerations

Wastes, including emptied containers, are controlled wastes and should be disposed of in accordance with regulations made under the Control of Pollution and Environmental Protection Acts.

### 14. Transport Information

Shipping name	FLAMMABLE LIQUIDS, N.O.S (adhesive containing Ethanol)
Transport Class	3
Packaging Group	II
UN	1993
Flash Point	- 4.0°C

### 15. Regulatory Information

Symbol(s) & Indication(s) of Danger :

The product is classified and labelled for supply in accordance with the Chemical (Hazard Information & Packaging) Regulations as follows:

Danger Classifications Highly Flammable

#### Risk & Safety Phrases

R11	Highly Flammable
S16	Keep away from sources of ignition – No smoking.
S23	Do not breathe vapour.
S33	Take precautionary measures against static discharges

The information contained in this Safety Data Sheet does not constitute the user's own assessment of workplace risks as required by other health and safety legislation.

### 16. Other Information

This preparation should only be used for the purpose for which it is intended. Neither the manufacturer nor distributor can be held liable for any accident or injury incurred through its misuse or non-compliance with this information.
